UNDERSTANDING & MEETING YOUR NEEDS

From the RFP or during our recent visit with your team, we understood your team to express the following needs, requests, and/or issues. We've detailed our proposed solutions below and are happy to discuss other related projects as they arise and upon request.

	NEEDS & ISSUES	SOLUTIONS & SERVICES
Technical	The District is required to have independent audits performed on its financial statements.	Perform external audit services in accordance with auditing standards generally accepted in the United States of America (GAAS), in order to express an opinion on the Charles Cove Community Development District's financial statements.
Relational	The District's Board of Supervisors and management expect open and continuous communication with their CPA firm in order to avoid surprise findings at the end of the audit.	<p>Communicate contemporaneously and directly with management regarding the results of our procedures.</p> <p>Anticipate and respond to concerns of management and/or the Audit Committee (if/when formed).</p>

We value creating mutually rewarding, long-term relationships with our clients. Our goal is to provide high quality, responsive service that yields returns far greater than your investment in our professional fees. Please find below our proposal of fees to provide the requested services for the upcoming fiscal years.

SERVICE	CRI FEES 2020	CRI FEES 2021	CRI FEES 2022	CRI FEES 2023	CRI FEES 2024
Perform external audit services in accordance with auditing standards generally accepted in the United States of America (GAAS)	\$4,000	\$4,100	\$4,250	\$4,350	\$4,500

**Actual out-of-pocket expenses will be billed separately and are not included in the fee.*

The above fee quote is based in part on the fact that the District has not yet issued bonds or other debt instruments to finance capital asset acquisition and construction. In the event the District issues such debt instruments or upon construction of major infrastructure additions, the audit fee will increase by \$3,000 per year.

If Charles Cove Community Development District requests additional services outside of this proposal, professional fee hourly rates are as follows, but may be negotiated depending on the project request:

CLASSIFICATION	HOURLY RATE
Partner	\$400
Manager	\$300
Senior	\$190
Staff	\$140
IT Specialist	\$250
Fraud Specialist	\$250

Our professional fees are based on the key assumptions that Charles Cove Community Development District will:

- Ensure that the predecessor's work papers will be made available for timely review.
- Make available documents and work papers for review at Charles Cove Community Development District's headquarters location, although we may choose to review at alternate locations.
- Prepare certain schedules and analyses and provide supporting documents as requested.
- Assist us in obtaining an understanding of the accounting systems of Charles Cove Community Development District.
- Not experience a significant change in business operations or financial reporting standards.

AUDIT METHODOLOGY

Our audit, tax, consulting, and client accounting services documentation is maintained electronically. Compliance with our methodology is regularly reviewed and evaluated as part of our internal quality program, which is further discussed in this section under **INTERNAL QUALITY CONTROL REVIEWS AND EXTERNAL REVIEWS**. Comprehensive policies and procedures governing all of our practices and addressing professional and regulatory standards and implementation issues are constantly updated for new professional developments and emerging issues. See the table of contents to identify the relevant audit approach and methodology detailed description section.

ENGAGEMENT QUALITY REVIEW PARTNER (CONCURRING PARTNER)

Audit engagements are assigned engagement quality review (EQR) partner, as appropriate. This role is one of the most important elements of our quality assurance process, as it provides for a timely, independent review of key accounting and auditing issues. The EQR partner also reviews the financial statements and related supporting documentation—including the disclosures—to evaluate their fair presentation under accounting principles generally accepted in the United States of America (GAAP).

INTERNAL QUALITY CONTROL REVIEWS AND EXTERNAL REVIEWS

Experienced partners and professional staff of our firm conduct quality control reviews of our audits. Our partners' work is reviewed annually, and the inspection process includes periodic testing of the effectiveness of our quality controls and a continuous improvement program. This risk-based annual inspection is intended to mimic the triennial peer review described in the following paragraph and are performed on completed engagements. In addition to this inspection, we perform in-process, "pre-issuance" reviews of partners' work that are chosen for using a risk-based selection process; these reviews are performed by our corporate quality control team. The combination of the in-process and completed engagements is part of our continuous improvement processes.

Peer reviews are performed every three years by another independent public accounting firm. The most recent review of our firm was performed in 2019 by Brown Edwards, whose report was the most favorable possible "Pass".

In addition, we are registered with the PCAOB and our 2018 PCAOB inspection report was also the most favorable possible—no audit deficiencies or quality control defects identified. The 2018 PCAOB report can be viewed at <https://pcaobus.org/Inspections/Reports/Documents/104-2019-029-Carr-Riggs-Ingram-LLC.pdf>.

CRI's CEO ACTION FOR DIVERSITY AND INCLUSION

Carr, Riggs & Ingram is committed to fostering an inclusive and diverse place for all employees to work in and engage. When our managing partner and chairman, Bill Carr, signed the CEO Action for Diversity & Inclusion™ pledge, he made a public commitment to building a productive, diverse, and inclusive workplace. [Learn more about CRI's commitment to Diversity and Inclusion.](#)

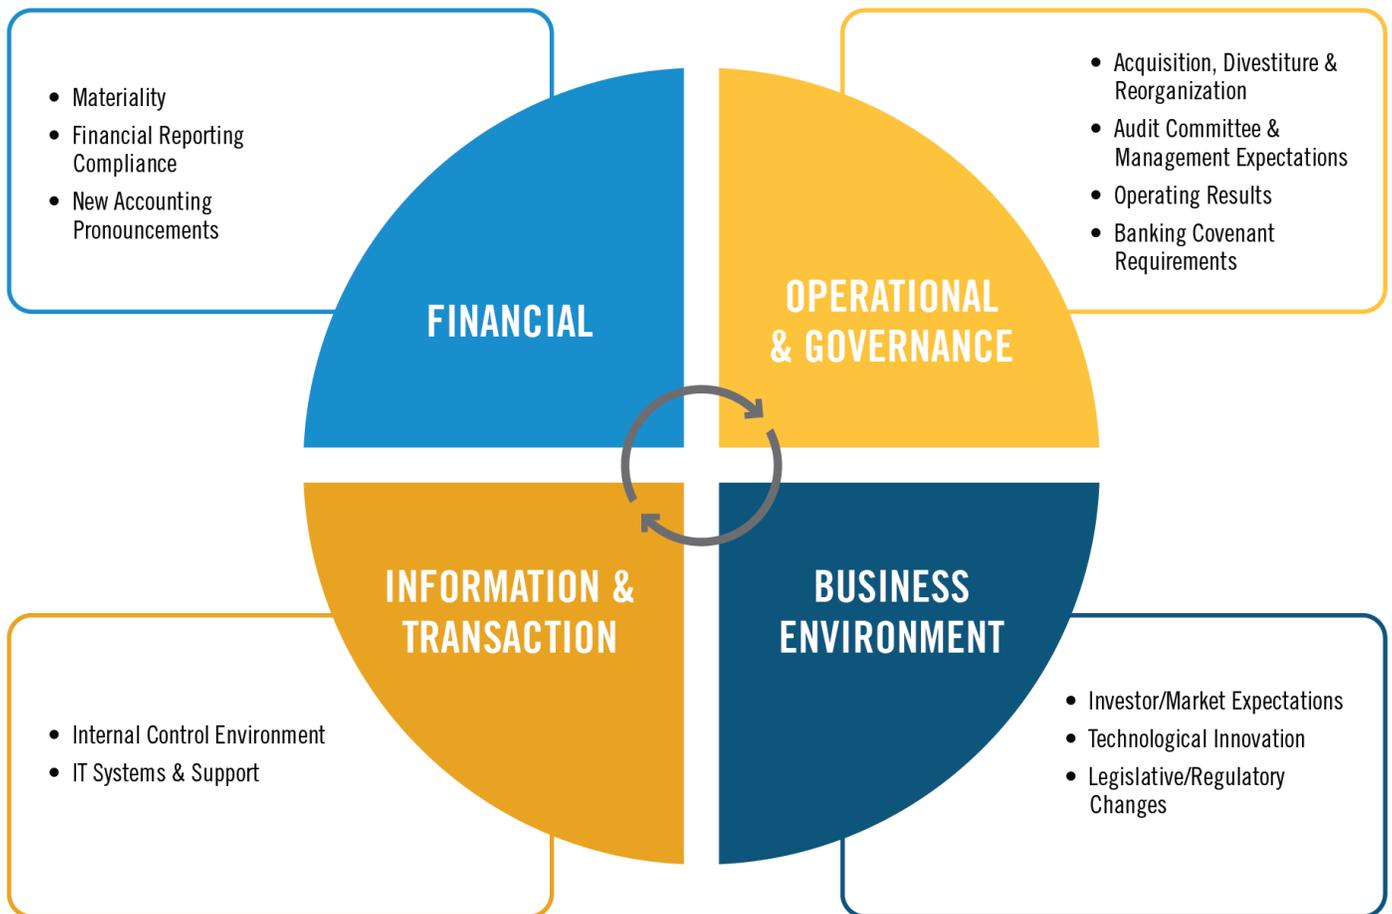

Our proposed services require a coordinated effort between us and Charles Cove Community Development District’s team. Planning and continual communication are essential to developing the appropriate procedures, working collaboratively to resolve any identified issues, and meeting your timelines.

CRI’s audit approach occurs within a framework of our client’s business and industry; therefore, we assess risk by:

- Understanding management’s perspectives and goals, and
- Considering business conditions and threats that could prevent management from achieving its business objectives.

We assess risks in the following areas:

Our ultimate intent is to drill down from these broad risks to specific financial reporting risks. We understand both these risks and management's processes and procedures for mitigating them (i.e. internal controls) in order to develop our procedures to carry out our audit responsibilities.

Although our audits are conducted through a structured, risk-based model, we focus on understanding the client's needs, requirements, and expectations. We work collaboratively with management and the Audit Committee (or similar function) to develop a communication and work plan to continuously improve client service, by doing so we help in moving your team from simple compliance to providing you with a competitive advantage.

In planning, we concentrate on "key risks," (items with a greater risk of a material misstatement, a material weakness in internal controls, or other matters resulting in the issuance of an inappropriate audit report). We focus on "material" items (i.e. those items that would be important to the user of your financial statements). When evaluating materiality of identified misstatements, certain quantitative and qualitative factors must be considered—which may include:

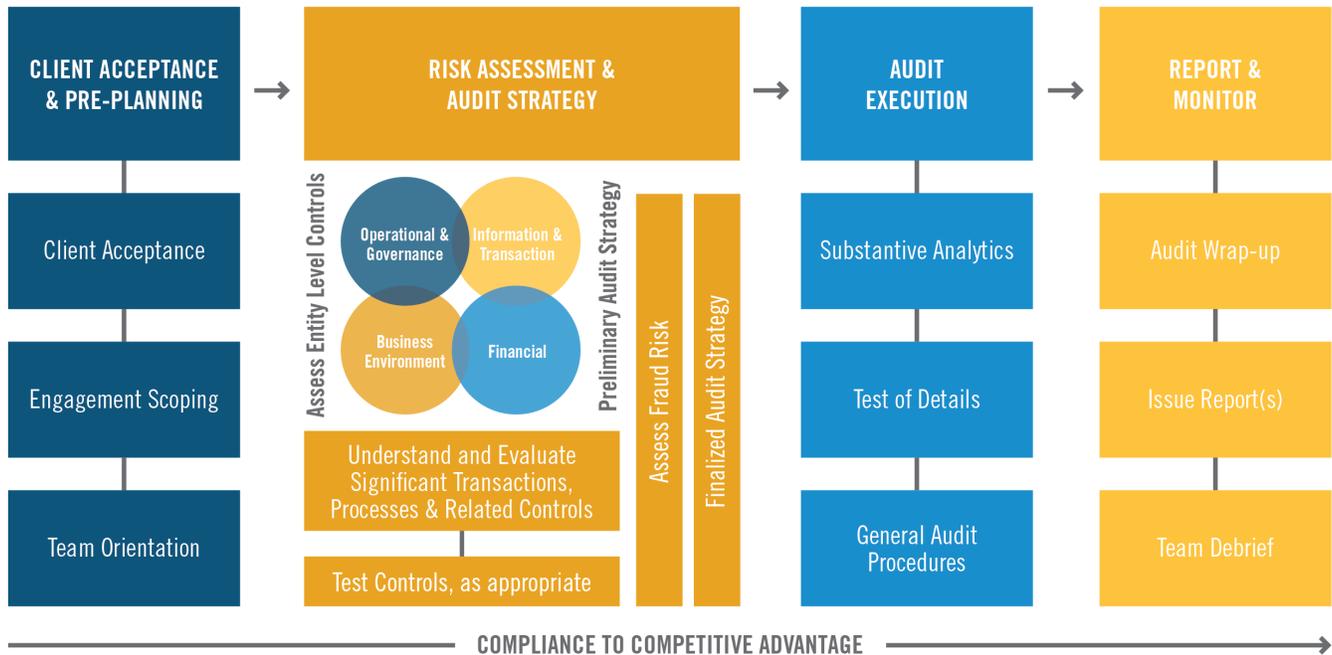

- Impact on operating trends (revenue/income, expenses, net income, etc).
- Nature of the misstatement (i.e., did the misstatement result from an unlawful transaction?).
- Impact on liquidity, capital/surplus, earnings capacity, etc.
- Impact to loan covenants and contractual and regulatory requirements.

Consistent communication is a key to completion of the audit. By ensuring constant involvement, we are in a better position to respond to your issues timely and efficiently. Therefore, we plan to meet with your management to:

- Set-up the audit by reviewing the mapping of Charles Cove Community Development District's financial information (financial statements and notes) to significant processes and IT systems to ensure that all significant account balances, transactions, procedures, and systems are tested as deemed necessary.
- Discuss ongoing changes—specifically new accounting pronouncements and key business transactions in their early stages, enabling us to agree on the resolution of various complex business issues on a timely basis.

Our audit approach is a four stage approach, as depicted in the summary below. Our client acceptance and risk assessment procedures occur during detailed conversations and observations with your team. The results of those procedures allow us to tailor an audit program to your specific risks and needs. We then execute the audit, report the results, and evaluate continuous improvement opportunities for ongoing service and benefit to you.

STAGE 1: CLIENT ACCEPTANCE & PRE-PLANNING

- Perform client acceptance procedures.
- Collaborate with management to agree to expectations and scope.
- Assign appropriate staff based on client needs and assessed risk.

STAGE 2: RISK ASSESSMENT & AUDIT STRATEGY

- Interview client personnel and others to understand client-specific objectives and risks.
- Assess following aspects of the organization for their impact on the audit plan:
 - environmental and other external risks,
 - management's fraud and IT risk assessment models,
 - entity level controls including:
 - control environment
 - risk assessment,
 - information and communication,
 - and monitoring controls.
 - IT General Computer (ITGC) controls, such as
 - IT Environment
 - Developing and Delivering IT, and
 - Operating and Monitoring IT.
- Determine materiality.
- Develop and document our understanding of and/or reliance on:
 - linkage of financial statements to:
 - significant transactions,
 - processes,
 - IT systems, and
 - related controls,
 - existence of/reliance on SOC entities and their reports,
 - internal audit, and
 - specialists (e.g. valuation, pension costs, etc.).
- If elected, test controls including ITGC, through a mix of:
 - inquiry,
 - observation
 - examination, and
 - re-performance.
- Perform preliminary analytical procedures.
- Finalize risk assessments and develop a final audit strategy.

STAGE 3: AUDIT EXECUTION

- Where possible to test as efficiently as possible:
 - develop detailed analytical procedures to use as substantive tests (benefit = reducing tests of details):
Examples include:
 - ratio analysis,
 - regression analysis,
 - trend analysis,
 - predictive tests, or
 - reasonableness test,
 - utilize Computer-Assisted Audit Techniques (CAATs) (benefit = automation of testing for more coverage and less disruption to the client), and
 - perform targeted testing (also known as "coverage" testing) to test large portions of account balances (benefit = more coverage with smaller selections).
- Perform tests of details, including sampling.
- Perform general audit procedures such as tests related to:
 - commitments and contingencies,
 - legal letters,
 - management representations,
 - reviews of Board minutes,
 - related party transactions,
 - debt covenants, and
 - going concern.
- Perform other tests for compliance such as Yellow Book or Single Audit tests.

STAGE 4: REPORT & MONITOR

- Continually monitor throughout the audit - providing feedback as agreed during scoping.
- Conclude the audit (i.e. issue opinions and reports).
- Develop and present:
 - reports,
 - required communications,
 - management letter comments, and
 - other audit-related deliverables.
- Perform debriefings to identify opportunities for improvement with our:
 - engagement team, and/or
 - client's team.

Specific Audit Approach

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

AUDIT APPROACH

Grau's Understanding of Work Product / Scope of Services:

We recognize the District is an important entity and we are confident our firm is eminently qualified to meet the challenges of this engagement and deliver quality audit services. ***You would be a valued client of our firm and we pledge to commit all firm resources to provide the level and quality of services (as described below) which not only meet the requirements set forth in the RFP but will exceed those expectations.*** Grau & Associates fully understands the scope of professional services and work products requested. Our audit will follow the Auditing Standards of the AICPA, *Generally Accepted Government Auditing Standards*, issued by the Comptroller General of the United States, and the Rules of the Auditor General of the State of Florida and any other applicable Federal, State or Local regulations. **We will deliver our reports in accordance with your requirements.**

Proposed segmentation of the engagement

Our approach to the audit engagement is a risk-based approach which integrates the best of traditional auditing techniques and a total systems concept to enable the team to conduct a more efficient and effective audit. The audit will be conducted in three phases, which are as follows:

Phase I - Preliminary Planning

A thorough understanding of your organization, service objectives and operating environment is essential for the development of an audit plan and for an efficient, cost-effective audit. During this phase, we will meet with appropriate personnel to obtain and document our understanding of your operations and service objectives and, at the same time, give you the opportunity to express your expectations with respect to the services that we will provide. Our work effort will be coordinated so that there will be minimal disruption to your staff.

During this phase we will perform the following activities:

- » Review the regulatory, statutory and compliance requirements. This will include a review of applicable federal and state statutes, resolutions, bond documents, contracts, and other agreements;
- » Read minutes of meetings;
- » Review major sources of information such as budgets, organization charts, procedures, manuals, financial systems, and management information systems;
- » Obtain an understanding of fraud detection and prevention systems;
- » Obtain and document an understanding of internal control, including knowledge about the design of relevant policies, procedures, and records, and whether they have been placed in operation;
- » Assess risk and determine what controls we are to rely upon and what tests we are going to perform and perform test of controls;
- » Develop audit programs to incorporate the consideration of financial statement assertions, specific audit objectives, and appropriate audit procedures to achieve the specified objectives;
- » Discuss and resolve any accounting, auditing and reporting matters which have been identified.

Phase II – Execution of Audit Plan

The audit team will complete a major portion of transaction testing and audit requirements during this phase. The procedures performed during this period will enable us to identify any matter that may impact the completion of our work or require the attention of management. Tasks to be performed in Phase II include, but are not limited to the following:

- » Apply analytical procedures to further assist in the determination of the nature, timing, and extent of auditing procedures used to obtain evidential matter for specific account balances or classes of transactions;
- » Perform tests of account balances and transactions through sampling, vouching, confirmation and other analytical procedures; and
- » Perform tests of compliance.

Phase III - Completion and Delivery

In this phase of the audit, we will complete the tasks related to year-end balances and financial reporting. All reports will be reviewed with management before issuance, and the partners will be available to meet and discuss our report and address any questions. Tasks to be performed in Phase III include, but are not limited to the following:

- » Perform final analytical procedures;
- » Review information and make inquiries for subsequent events; and
- » Meeting with Management to discuss preparation of draft financial statements and any potential findings or recommendations.

You should expect more from your accounting firm than a signature in your annual financial report. Our concept of truly responsive professional service emphasizes taking an active interest in the issues of concern to our clients and serving as an effective resource in dealing with those issues. In following this approach, we not only audit financial information with hindsight but also consider the foresight you apply in managing operations.

Application of this approach in developing our management letter is particularly important given the increasing financial pressures and public scrutiny facing today's public officials. We will prepare the management letter at the completion of our final procedures.

In preparing this management letter, we will initially review any draft comments or recommendations with management. In addition, we will take necessary steps to ensure that matters are communicated to those charged with governance.

In addition to communicating any recommendations, we will also communicate the following, if any:

- » Significant audit adjustments;
- » Significant deficiencies or material weaknesses;
- » Disagreements with management; and
- » Difficulties encountered in performing the audit.

Our findings will contain a statement of condition describing the situation and the area that needs strengthening, what should be corrected and why. Our suggestions will withstand the basic tests of corrective action:

Is the recommendation cost effective?

Is the recommendation the simplest to effectuate in order to correct a problem?

Is the recommendation at the heart of the problem and not just correcting a symptomatic matter?

Is the corrective action taking into account why the deficiency occurred?

To assure full agreement with facts and circumstances, we will fully discuss each item with Management prior to the final exit conference. This policy means there will be no “surprises” in the management letter and fosters a professional, cooperative atmosphere.

Communications

We emphasize a continuous, year-round dialogue between the District and our management team. We typically begin our audit process with an entrance conference before the onsite fieldwork begins. We regularly communicate through personal telephone calls and electronic mail throughout the audit and on a regular basis. Our clients have the ability to transmit information to us on our secure client portal with the ability to assign different staff with separate log on and viewing capability. This further facilitates efficiency as all assigned users receive electronic mail notification as soon as new information has been posted into the portal. We strive to continue to keep an open line of communication through the fieldwork and ending with an exit conference.

Cost of Services

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization previously declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy, Japan and South Korea, the Centers for Disease Control and Prevention (“CDC”) has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

WHEREAS, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

WHEREAS, on March 7, 2020, I directed the Director of the Division of Emergency Management to activate the State Emergency Operations Center to Level 2 to provide coordination and response to the COVID-19 emergency; and

WHEREAS, as of March 9, 2020, eight counties in Florida have positive cases for COVID-19, and COVID-19 poses a risk to the entire state of Florida; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, using of alcohol-based hand sanitizers with 60%-95% alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, the CDC currently recommends mitigation measures for communities experiencing an outbreak including staying at home when sick, keeping away from others who are sick, limiting face-to-face contact with others as much as possible, consulting with your healthcare provider if individuals or members of a household are at high risk for COVID-19 complications, wearing a facemask if advised to do so by a healthcare provider or by a public health official, staying home when a household member is sick with respiratory disease symptoms if instructed to do so by public health officials or a health care provider; and

WHEREAS, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I declare a state of emergency exists in the State of Florida.

Section 2. I designate the Director of the Division of Emergency Management (“Director”) as the State Coordinating Officer for the duration of this emergency and direct him to execute the State’s Comprehensive Emergency Management Plan and other response, recovery, and mitigation plans necessary to cope with the emergency. Additionally, I designate the State Health Officer and Surgeon General as a Deputy State Coordinating Officer and State Incident Commander.

Pursuant to section 252.36(1)(a), Florida Statutes, I delegate to the State Coordinating Officer the authority to exercise those powers delineated in sections 252.36(5)-(10), Florida Statutes, which he shall exercise as needed to meet this emergency, subject to the limitations of section 252.33, Florida Statutes. In exercising the powers delegated by this Order, the State Coordinating Officer shall confer with the Governor to the fullest extent practicable. The State Coordinating Officer shall also have the authority to:

A. Seek direct assistance and enter into agreements with any and all agencies of the United States Government as may be needed to meet the emergency.

B. Designate additional Deputy State Coordinating Officers, as necessary.

C. Suspend the effect of any statute, rule, or order that would in any way prevent, hinder, or delay any mitigation, response, or recovery action necessary to cope with this emergency.

D. Enter orders as may be needed to implement any of the foregoing powers; however, the requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to any such orders issued by the State Coordinating Officer; however, no such order shall remain in effect beyond the expiration of this Executive Order, to include any extension.

Section 3. I order the Adjutant General to activate the Florida National Guard, as needed, to deal with this emergency.

Section 4. I find that the special duties and responsibilities resting upon some State, regional, and local agencies and other governmental bodies in responding to the emergency may require them to suspend the application of the statutes, rules, ordinances, and orders they administer. Therefore, I issue the following authorizations:

A. Pursuant to section 252.36(1)(a), Florida Statutes, the Executive Office of the Governor may suspend all statutes and rules affecting budgeting to the extent necessary to provide budget authority for state agencies to cope with this emergency. The requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to any such suspension issued by the Executive Office of the Governor; however, no such suspension shall remain in effect beyond the expiration of this Executive Order, to include any extension.

B. Each State agency may suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders or rules of that agency, if strict compliance with the provisions of any such statute, order, or rule would in any way prevent, hinder, or delay necessary action in coping with the emergency. This includes, but is not limited to, the authority to suspend any and all statutes, rules, ordinances, or orders which affect leasing, printing, purchasing, travel, and the condition of employment and the compensation of employees. For the purposes of this Executive Order, “necessary action in coping with the emergency” means any emergency mitigation, response, or recovery action: (1) prescribed in the State Comprehensive Emergency Management Plan (“CEMP”); or (2) ordered by the State Coordinating Officer. The requirements of sections 252.46 and 120.54, Florida Statutes, shall not apply to any such suspension issued by a State agency; however, no such suspension shall remain in effect beyond the expiration of this Executive Order, to include any extensions.

C. In accordance with section 465.0275, Florida Statutes, pharmacists may dispense up to a 30-day emergency prescription refill of maintenance medication to persons who reside in an area or county covered under this Executive Order and to emergency personnel who have been activated by their state and local agency but who do not reside in an area or county covered by this Executive Order.

D. In accordance with section 252.38, Florida Statutes, each political subdivision within the State of Florida may waive the procedures and formalities otherwise required of the political subdivision by law pertaining to:

1) Performance of public work and taking whatever prudent action is necessary to ensure the health, safety, and welfare of the community;

2) Entering into contracts; however, political subdivisions are cautioned against entering into time and materials contracts without ceiling as defined by 2 CFR 200.318(j) or cost plus percentage contracts as defined by 2 CFR 200.323(d);

3) Incurring obligations;

4) Employment of permanent and temporary workers;

5) Utilization of volunteer workers;

6) Rental of equipment;

7) Acquisition and distribution, with or without compensation, of supplies, materials, and facilities; and,

8) Appropriation and expenditure of public funds.

E. All State agencies responsible for the use of State buildings and facilities may close such buildings and facilities in those portions of the State affected by this emergency, to the extent necessary to meet this emergency. I direct each State agency to report the closure of any State

building or facility to the Secretary of the Department of Management Services. Under the authority contained in section 252.36, Florida Statutes, I direct each County to report the closure of any building or facility operated or maintained by the County or any political subdivision therein to the Secretary of the Department of Management Services. Furthermore, I direct the Secretary of the Department of Management Services to:

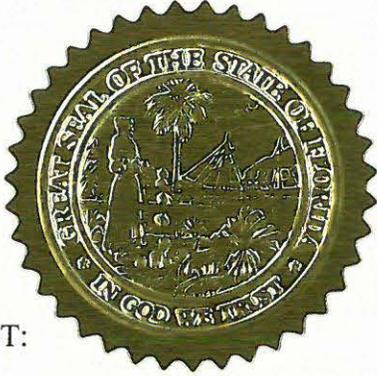

- 1) Maintain an accurate and up-to-date list of all such closures; and,
- 2) Provide that list daily to the State Coordinating Officer.

Section 5. I find that the demands placed upon the funds appropriated to the agencies of the State of Florida and to local agencies are unreasonably great and the funds currently available may be inadequate to pay the costs of coping with this emergency. In accordance with section 252.37(2), Florida Statutes, I direct that sufficient funds be made available, as needed, by transferring and expending moneys appropriated for other purposes, moneys from unappropriated surplus funds, or from the Budget Stabilization Fund.

Section 6. All State agencies entering emergency final orders or other final actions in response to this emergency shall advise the State Coordinating Officer contemporaneously or as soon as practicable.

Section 7. Medical professionals and workers, social workers, and counselors with good and valid professional licenses issued by states other than the State of Florida may render such services in Florida during this emergency for persons affected by this emergency with the condition that such services be rendered to such persons free of charge, and with the further condition that such services be rendered under the auspices of the American Red Cross or the Florida Department of Health.

Section 8. All activities taken by the Director of the Division of Emergency Management and the State Health Officer and Surgeon General with respect to this emergency before the issuance of this Executive Order are ratified. This Executive Order shall expire sixty days from this date unless extended.

Adopting an Assessment Roll for Fiscal Year 2021
and Certifying Special Assessments for Collection**

RESOLUTION 2020-44

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE CHARLES COVE COMMUNITY DEVELOPMENT DISTRICT MAKING A DETERMINATION OF BENEFIT AND IMPOSING SPECIAL ASSESSMENTS FOR FISCAL YEAR 2020/2021; PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Charles Cove Community Development District ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in Polk County, Florida ("**County**"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, the Board of Supervisors ("**Board**") of the District hereby determines to undertake various operations and maintenance and other activities described in the District's budget ("**Adopted Budget**") for the fiscal year beginning October 1, 2020 and ending September 30, 2021 ("**Fiscal Year 2020/2021**"), attached hereto as **Exhibit "A"** and incorporated by reference herein; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the Adopted Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, *Florida Statutes*, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Adopted Budget; and

WHEREAS, the District has previously levied an assessment for debt service, which the District desires to collect for Fiscal Year 2020/2021; and

WHEREAS, Chapter 197, *Florida Statutes*, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector (“**Uniform Method**”), and the District has previously authorized the use of the Uniform Method by, among other things, entering into agreements with the Property Appraiser and Tax Collector of the County for that purpose; and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the Charles Cove Community Development District (“**Assessment Roll**”) attached to this Resolution as **Exhibit “B”** and incorporated as a material part of this Resolution by this reference, and to certify the Assessment Roll to the County Tax Collector pursuant to the Uniform Method; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll, certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE CHARLES COVE COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BENEFIT & ALLOCATION FINDINGS. The Board hereby finds and determines that the provision of the services, facilities, and operations as described in **Exhibit “A”** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands, as shown in **Exhibits “A” and “B,”** is hereby found to be fair and reasonable.

SECTION 2. ASSESSMENT IMPOSITION. Pursuant to Chapters 190 and 197, *Florida Statutes*, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District, and in accordance with **Exhibits “A” and “B.”** The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the “maximum rate” authorized by law for operation and maintenance assessments.

SECTION 3. COLLECTION. The collection of the operation and maintenance special assessments and previously levied debt service assessments shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as indicated on **Exhibits “A” and “B.”** The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.
